How to use / When it’s useful

Wear the hat for formal Alpini events, parades, ceremonies or as part of a historical or military surplus collection. It is intended as a dress and commemorative item rather than field equipment.

Quick answer: Use it for ceremonial duty, veteran gatherings, display or as a collector’s piece. In most cases, choose the size that matches your head circumference and allow the three working days needed for preparation before shipment.

Care and notes

Basic care preserves the wool felt, leather trim and embroidered badge so the hat remains presentable for display or occasional wear.

- Spot clean with a soft brush or damp cloth; avoid machine washing.
- Keep away from prolonged moisture and strong heat to protect wool and leather.
- Avoid heavy abrasion on the embroidered badge and tricolour details.
- Preparation time: 3 working days from payment—high demand may affect availability.
