Product overview

The Basco Grigio Finanza Modello Spagnolo is a Spanish-style wool beret designed for collectors, uniform enthusiasts, and duty or tactical use. It suits those looking for authentic military surplus, police or duty headwear with a classic, low-profile look.

Definition: a 94% wool, 6% nylon Spanish-model Finanza beret with a 22 cm plate, rear adjustment and mesh lining for ventilation.

Main features

Practical construction and period-correct details make this beret suitable for light duty wear, uniform displays, and military surplus collections.

- **Materials:** 94% wool, 6% nylon for warmth, shape retention and durability.
- **Design:** Spanish-style cut with gross-grain edge and left-side parietal reinforcement for badge attachment.
- **Lining and ventilation:** Internal mesh lining with two side eyelets to help keep the head cool and dry.
- **Size:** Plate diameter 22 cm for a standard fit.
- **Adjustment:** Rear strap allows tightening for a secure, personalized fit.
- **Service status:** Currently decommissioned from the Finanza corps, making it suitable for collectors and surplus buyers.

How to use / When it’s useful

Quick answer: Wear this beret for uniform-style appearances, historical displays, or everyday duty-style outfits. It works well with tactical and police clothing or as a military surplus collectible.

In most cases, the rear adjustment provides a secure fit for general wear; the breathable mesh lining makes it suitable through multiple seasons. Use it when you need a tidy, professional headwear option that reflects Finanza styling.

Care and notes

Gentle care will prolong the beret’s appearance and shape. Handle wool carefully and use appropriate cleaning methods for wool-blend garments.

- Avoid machine washing; follow wool-care best practices (hand wash or professional cleaning recommended).
- Reshape the plate when damp and dry flat away from direct heat to maintain form.
- Store in a cool, dry place to prevent moth or mildew damage.
- Note: the item is decommissioned from the Finanza corps and offered as surplus/collectible stock.

FAQ

Q: What materials compose the beret?

A: The beret is made of 94% wool and 6% nylon, offering a balance of natural warmth and

durability.

Q: Is the beret adjustable?

A: Yes. A rear strap lets you tighten the fit for a more secure and personalized wear.

Q: Can I wear this beret year-round?

A: The internal mesh lining with two ventilation eyelets helps airflow, making it suitable for multiple seasons, though heavy summer use may be warm.

Q: What is the plate size?

A: The beret plate measures 22 cm in diameter, which provides a standard, classic beret profile.

Q: Is this beret still issued by the Finanza?

A: No. This model is currently decommissioned from the Finanza corps and is offered as a surplus or collectible item.

Q: Is this suitable for tactical, police, or military surplus collections?

A: Yes. Its Finanza styling and decommissioned status make it appropriate for duty-style wear, police or tactical outfits, and military surplus collections.

Tip: Choose the right size or adjustable variant for the best fit and check related duty and military surplus items to complete your uniform or collection.
