Product overview

The Basco Verde Lagunari Modello Spagnolo is a petrol-green, 100% wool military beret made for Lagunari personnel, collectors, and buyers of military surplus, tactical and duty gear. It combines traditional appearance with practical details for uniform and ceremonial use.

Definition: a Spanish-model military beret in 100% wool with a reinforced left parietal area for a badge. The beret suits collectors, reenactors, and anyone seeking authentic military-style headwear.

Main features

Carefully made details and functional design make this beret both presentable and durable.

- **Material:** 100% wool in petrol green (verde petrolio).
- **Finishing:** gros-grain edge and reinforcement on the left parietal side for a badge.
- **Inner lining:** mesh lining with two side ventilation eyelets for airflow.
- **Size of plate:** 22 cm diameter for a classic, structured look.
- **Adjustable fit:** rear strap (fettuccia) for personalised sizing.
- **Identity:** symbol of Lagunari tradition and service dress.
- **Availability:** produced in limited quantities—high interest from collectors.

How to use / When it’s useful

Quick answer: wear the beret as part of a uniform, for ceremonial use, or as a collector’s item. It is suitable for military-style, tactical and military surplus wardrobes.

In most cases, attach the badge to the reinforced left parietal area and adjust the rear strap for a secure fit. The mesh lining and eyelets help keep comfort during active duty or long wear.

Care and notes

Follow simple wool care and sizing checks to keep the beret in good condition and ensure the correct fit.

- Measure head circumference with a tape at mid-forehead as described to choose the right size.
- Prefer dry cleaning or gentle hand wash for wool; avoid bleach and high heat drying.
- Store in a dry place away from direct sunlight to preserve color and shape.
- Limited stock — check availability before ordering.

FAQ

Q: What material is the Basco Verde Lagunari made from?

A: The beret is made from 100% wool. The material offers a traditional look and natural durability typical of military headwear.

Q: How do I choose the correct size?

A: Measure the circumference of your head with a tape placed at mid-forehead. Use that measurement to select the best size for a comfortable fit.

Q: Is the beret comfortable in warm conditions?

A: Yes. The inner mesh lining and two side eyelets provide ventilation to improve comfort during active use or warmer weather.

Q: Can I adjust the fit of the beret?

A: Yes. The rear fettuccia (strap) allows a personalised fit to suit different head sizes and to keep the beret secure.

Q: Is this beret available in other colors?

A: Currently this model is offered only in petrol green (verde petrolio), the traditional color associated with the Lagunari.

Q: Is this an official issue item for active service?

A: This listing describes the Basco Verde Lagunari Modello Spagnolo as a reproduction/retail item reflecting the Lagunari style. For confirmation about official issue or regulation-compliant use, check with the relevant unit or supply office.

Tip: Measure your head before ordering and choose the size variant that matches your measurement. Browse related military surplus and tactical headwear to find matching uniform items or accessories.
