### Product overview

The Fregio Basco 183 Nembo Divisione Folgore is a metal beret badge for collectors, military enthusiasts, and members of the unit. It reproduces the insignia of the 183° Btg. Nembo, part of the Divisione Meccanizzata Folgore of the Italian Army, and is intended for display, uniform use, or historical collections.

Definition: a metal beret badge bearing the 183° Reggimento Paracadutisti Nembo emblem, sized for standard service berets.

**Main features**

Designed to match the look and feel of traditional unit insignia, this badge combines authentic styling with durable materials.

- **Size:** 5.2 x 5.5 cm, suitable for baschi kaki and similar berets.
- **Distinctive design:** shows the "pulce" with the 183° regiment number on an olive-green background.
- **Durable metal construction:** made from resistant metals for long-lasting use.
- **Historical value:** a tangible symbol of the 183° Btg. Nembo’s traditions and paratrooper heritage.
- **Collector and display use:** fits uniform mounting or presentation collections.

**How to use / When it’s useful**

Place the badge on the front-left of the beret following unit placement conventions, or use it in collections, frames, or historical displays. It works well for reenactment uniforms, veteran displays, and museum-style presentations.

Quick answer: attach with the supplied clips, pins, or screws and check alignment before final tightening. In most cases, the badge fits standard beret fabrics and holds securely when mounted correctly.

**Care and notes**

Keep the badge as a durable display or uniform element by avoiding harsh chemicals and storing it dry when not in use.

- Clean gently with a soft, dry cloth; avoid abrasive cleaners.
- Check mounting hardware regularly to ensure a secure fit.
- Store in a dry place to prevent tarnish or corrosion.
- Handle carefully to preserve enamel and painted backgrounds.

## FAQ

**Q:** What are the badge dimensions?

**A:** The badge measures 5.2 x 5.5 cm, suitable for standard service berets and many display mounts. Check your beret fit before final mounting.

**Q:** Is this badge authentic or an official issue?

**A:** This product reproduces the 183° Btg. Nembo insignia and is sold by Tutto Militare as an authentic-style metal badge. It is intended for collectors and uniform use where permitted.

**Q:** What materials are used?

**A:** The badge is made from durable metals designed for long-term wear and display. Finishes and paint follow the traditional olive-green background and regiment number styling.

**Q:** How difficult is it to attach to a beret?

**A:** Attachment is straightforward: position the badge, use the provided clips or screws if present, and secure firmly. Allow a final alignment check to ensure it sits straight.

**Q:** Can non-members buy this badge?

**A:** Yes. The badge is available to collectors, historians, and enthusiasts who wish to own a piece of the 183° Btg. Nembo heritage.

**Q:** Is the badge available now and do you ship quickly?

**A:** Availability can be limited due to demand; Tutto Militare lists current stock on the product page. Orders are processed with standard shipping options and careful packaging.

**Tip:** Choose the correct placement and mounting hardware for your beret; consider browsing related military insignia and beret accessories to complete your display or uniform set.
