Product short description:

The Basco Spagnolo ONU Nazioni Unite is a Spanish UN beret combining classic style and history. It’s ideal for collectors, enthusiasts, and anyone seeking a refined, distinctive accessory.

- **Material:** Made from high-quality materials for comfort and durable wear.
- **Color:** ONU blue, the characteristic UN shade symbolizing peace and international cooperation.
- **Use:** Ideal for collectors, display, or as a refined fashion accessory.
- **Design:** Classic beret cut that adds an elegant, distinctive touch to any wardrobe.

Product description:

Product overview

The Basco Spagnolo ONU is a light blue beret designed for military, police and peacekeeping personnel serving in ONU missions. It combines a wool-rich construction with practical details for duty use and tactical appearance.

Definition: a 94% wool, 6% nylon ONU beret with ventilation, rear adjustment and reinforced edge for a badge—made for field use, ceremonial wear and everyday duty in international operations.

Main features

Built for comfort, durability and recognizability during international deployments.

- **Materials:** 94% wool and 6% nylon for warmth, comfort and added strength.
- **Color:** ONU light blue for easy identification in peacekeeping operations.
- **Reinforced design:** grosgrain edge and left-side parietal reinforcement for a badge (fregio).
- **Ventilation:** internal mesh lining with two side eyelets to improve airflow.
- **Adjustable fit:** rear strap allows precise sizing and secure wear.
- **Standard size:** 22 cm diameter for a universal fit across duty and tactical personnel.

How to use / When it’s useful

Quick answer: wear the beret during ONU missions, public duties, patrols, ceremonial events or as part of a tactical/military surplus kit where ONU identification is required. The reinforced side is ready to accept standard badges used by armed forces and police.

In most cases, the beret is useful when you need a recognizable headgear that balances appearance and function. Its ventilation and wool construction make it suitable for varied climates during deployment or duty shifts.

Care and notes

General care keeps the beret looking professional and extends its service life; follow simple handling guidelines and check the product label if available.

- Brush off surface dirt and spot-clean gently to preserve wool fibers.
- Avoid heavy machine washing or high heat; professional cleaning is recommended for deep cleaning.
- Store dry and flat to keep shape; use the rear strap to adjust fit, not to stretch the material.
- Limited availability: stock can be low due to demand for ONU-colored items.

FAQ

Q: What materials is the Basco Spagnolo ONU made of?

A: The beret is made of 94% wool and 6% nylon. This mix provides warmth and a softer feel from the wool with added durability from the nylon.

Q: How do I find the right size?

A: Measure with a tape at the midpoint of your forehead and around the head. The beret's standard diameter is 22 cm and the rear strap allows fine adjustment for a comfortable fit.

Q: Is the ONU color functional or just decorative?

A: The ONU light blue is chosen for operational recognizability during peacekeeping missions. It helps identify ONU personnel in mixed environments.

Q: Will the beret be comfortable in warm climates?

A: Yes—its internal mesh lining and two side eyelets improve ventilation. The wool blend also regulates temperature better than synthetic-only headgear.

Q: Can I attach a badge to this beret?

A: Yes—the beret includes a reinforced left parietal area designed to secure a standard badge (fregio) without deforming the fabric.

Q: Is this item always in stock?

A: No—this ONU-colored beret can be in high demand and is often available in limited quantities. Check current stock and order promptly if you need it for upcoming deployments.

Tip: Choose the correct size by measuring your head before ordering and use the rear strap for fine adjustments; also consider browsing related tactical and military surplus headgear to match uniform and duty requirements.
