Product short description:

The Basco Aeronautica Militare is a classic aviation-style beret for those seeking a refined, heritage-inspired accessory. Made from high-quality materials, it offers comfort and a timeless look suitable for formal occasions or a smart casual outfit.

- **Material:** Constructed from high-quality materials for comfort and a polished appearance.
- **Use:** Ideal for formal events as well as elevated everyday wear.
- **Design:** Classic beret silhouette featuring the Aeronautica emblem, reflecting Italian aviation heritage.
- **Style:** Versatile accessory that adds a touch of class to any wardrobe.

Product description:

Product overview

The **Basco Aeronautica Militare** is a wool beret designed for military and ceremonial use, also suitable for tactical, duty or everyday wear by collectors and enthusiasts of military surplus and police-style gear. It is aimed at users who need a durable, professional-looking headpiece with

authentic styling.

Definition: a wool blend military beret in the blue-gray color used by the Aeronautica Militare and the Gruppo Operativo Subacquei del Comsubin.

Main features

Built for durability, comfort and correct appearance, this beret combines traditional military design with practical details for ventilation and fit.

- **Materials:** 94% wool and 6% nylon for resilience and long-term wear.
- **Official color:** blue-gray specific to the Aeronautica Militare and the Gruppo Operativo Subacquei del Comsubin.
- **Trim and badge area:** grosgrain edge and reinforcement on the left parietal side for mounting the badge.
- **Ventilation:** internal mesh lining with two side eyelets to help airflow.
- **Adjustable fit:** rear strap (fettuccia) for precise size adjustment.
- **Versatile use:** suitable for service, official ceremonies and everyday military-style wear.

How to use / When it’s useful

Quick answer: wear it as standard headgear for duty, ceremonies, or as a durable military surplus-style accessory. The beret is shaped and finished to meet the visual and functional needs of service and formal settings.

In most cases, position the beret on the head so the reinforced left side sits over the temple for the badge, and use the rear strap to adjust fit. The mesh lining and eyelets help keep the head cool during prolonged wear in both ground and flight contexts.

Care and notes

Follow basic care for wool blends and check the garment label for washing instructions to maintain shape and color.

- Check the internal care label before cleaning; wool blends often require gentle handling.
- Avoid high heat when drying to prevent shrinkage or loss of shape.
- Store flat or on a hat form to preserve the beret’s shape and the badge area.

FAQ

Q: What materials are used for the Basco Aeronautica Militare?

A: The beret is made of 94% wool and 6% nylon, providing a balance of warmth, resilience and structure suitable for duty use and display.

Q: How do I adjust the size of the beret?

A: Use the rear strap (fettuccia) to tighten or loosen the fit for a precise adjustment. Adjust while the beret is on to find the most comfortable position.

Q: Is the beret suitable for all seasons?

A: Yes. The internal mesh lining and two side eyelets improve ventilation, making it suitable for a range of temperatures while retaining the wool blend’s insulating properties.

Q: Do you provide a size guide?

A: Yes, a practical size guide is available to help choose the correct fit. Refer to our guide before ordering to ensure the best result.

Q: Is this beret only for military personnel?

A: No. While styled for the Aeronautica Militare and specific units, it is also suitable for ceremonies, collectors, police-style uniforms, and everyday wear for those who prefer military surplus or tactical headgear.

Q: Is availability limited?

A: The product is in high demand and stock can be limited. We recommend ordering promptly if you need a specific size or color variant.

Tip: Choose the correct size using our guide and consider related military, tactical or duty headgear items to complete your kit; check available variants before adding to cart.
