Product features:

Product short description:

The Metal Military Parachutist Badge (Brevetto Metallo Paracadutista Militare) is a finely crafted insignia that honors parachutist skill and courage. It pairs detailed workmanship with a robust build. Ideal for collectors, reenactors and military history enthusiasts, it can be worn or displayed as a focal piece in a collection.

- **Material:** Made from quality metal with sturdy construction and a durable appearance.
- **Design:** Detailed, robust styling that reflects traditional parachutist insignia.
- **Use:** Suitable for wear on uniforms or jackets, or for mounting and display in a collection.
- **Condition:** Built to last as a respectful tribute to skill and service; handle carefully to preserve detail.
