Product short description:

A durable Italy shield badge in plastic with a blue border and Velcro backing, ideal for personalizing jackets, backpacks or caps. Suitable for sports fans, travelers and anyone who wants to carry a piece of Italy with them.

- **Material:** High-quality plastic construction that preserves the tricolor's vivid colors.
- **Attachment:** Velcro backing for quick, tool-free application and easy removal on compatible surfaces.
- **Use:** Fits jackets, backpacks, caps and most fabric gear for everyday or travel use.
- **Design:** Compact blue-edged badge combining style and practical versatility.

Product description:

Product overview

The Scudetto Italia Plastica Bordo Blu con Velcro is a plastic national badge designed for tactical, duty and casual use by police, military, security professionals, and patriotic civilians. It fits operational suits, uniforms, jackets and other garments that accept hook-and-loop attachments.

Definition: a 6 cm (width) x 7 cm (height) plastic Italy patch with a blue border and Velcro backing.

Main features

Durable, easy to attach and visibly patriotic — this patch is made for regular use on tactical and everyday gear.

- **High-quality plastic:** rigid construction designed to resist daily wear.
- **Distinctive blue border:** clear visual frame for the tricolour and “Italia” text.
- **Velcro backing:** hook-and-loop for quick attachment and removal to compatible fabrics.
- **Compact size:** 6 cm wide x 7 cm high — visible but not bulky.
- **Patriotic design:** Italian tricolour and “Italia” lettering for clear identification.

How to use / When it’s useful

Quick answer: attach the patch to any garment or equipment that has a loop (soft) Velcro surface. It is ideal for operational suits, duty uniforms, backpacks and tactical vests.

In most cases, press the patch firmly onto the loop-side fabric to secure it; remove by peeling the patch away from the fabric when needed. It is useful for temporary identification, events, sport teams, or field use where removable insignia are preferred.

Care and notes

Keep the patch clean and check the Velcro connection regularly to ensure a secure fit.

- Washable: the plastic face and Velcro tolerate normal washing when attached to washable garments.
- Check compatibility: ensure the garment has loop-side Velcro or a suitable surface for hook-and-loop attachment.
- Colour option: currently available only with the blue border.
- Limited stock: availability may be restricted due to demand.

FAQ

Q: What are the exact dimensions of the patch?

A: The patch measures 6 cm in width and 7 cm in height. It is compact enough for collars, sleeves and chest placement.

Q: Is the Velcro backing durable?

A: Yes, the patch uses a standard hook-and-loop backing designed for repeated attachment and removal on compatible loop surfaces.

Q: Can I attach the patch to any type of fabric?

A: The patch attaches best to fabrics with loop-side Velcro. For other fabrics, a loop panel or Velcro field may be required for secure mounting.

Q: Is the patch washable?

A: Yes, the plastic surface and Velcro withstand normal washing when attached to washable garments. Follow garment care instructions for best results.

Q: Is this suitable for tactical or military use?

A: The design suits tactical, police and duty use as a removable identification patch. It is commonly used on uniforms, vests and operational suits.

Q: Are other border colours available?

A: Currently this model is offered only with the blue border. Check product listings for any additional color variants.

Tip: Choose the right placement and ensure your garment has loop-side Velcro or add a loop panel before ordering; also browse related tactical and military surplus patches to match your kit.
