Product short description:

The Scudetto Italia Mezza Luna Bordo Blu Con Velcro is a durable half-moon Italy shield patch with a blue border and Velcro backing. Perfect for military surplus enthusiasts, sports fans, travelers or anyone who wants to display Italian pride on jackets, backpacks or caps.

- **Material:** Made from quality embroidered fabric designed to retain color and shape.
- **Attachment:** Velcro backing for quick, secure application and easy removal.
- **Design:** Classic half-moon shield with a blue border and vivid, long-lasting colors.
- **Use:** Fits jackets, backpacks, caps and other gear; suitable for travel and everyday wear.

Product description:

Product overview

The Scudetto Italia Mezza Luna Bordo Blu Con Velcro is an embroidered Italy shield patch with a half-moon design, blue border and Velcro backing, made for tactical, duty and police uniforms as

well as military surplus collections. It suits operators, law enforcement, collectors and anyone who needs a neat, removable national insignia.

Definition: a 5 cm × 1.7 cm embroidered Italy shield (half-moon) patch with a blue edge and rear Velcro for quick attachment. Its compact size and Velcro backing make it easy to add or remove from operational suits, jackets or casual gear.

Main features

Key points at a glance for field use, uniforms and casual wear:

- **Half-moon embroidered design:** Clear Italy shield motif with a blue border for a distinctive look.
- **Rear Velcro attachment:** Fast, secure mounting on Velcro panels found on tactical and duty garments.
- **Compact size:** 5 cm width × 1.7 cm height — low-profile and unobtrusive.
- **Durable construction:** Machine-stitched embroidery built to withstand regular use.
- **Versatile use:** Suitable for tactical, police, duty uniforms and military surplus apparel.

How to use / When it’s useful

Attach the patch by aligning the Velcro backing with the corresponding loop panel and pressing firmly; removal is quick by peeling it off. Quick answer: apply on any garment with a Velcro loop panel for instant identification.

Use it for operational uniforms, training kits, patrol gear or casual jackets when you want a removable national insignia. In most cases, the patch stays secure during regular activity but can be removed when not needed or for laundering.

Care and notes

Simple care keeps the embroidery and Velcro working well over time; follow these steps and warnings to preserve the patch.

- Close the Velcro before washing to protect both the patch and other garments.
- Wash on a gentle cycle or hand wash; avoid high heat drying to prevent damage to embroidery and Velcro.
- Store flat or attached to a loop panel to keep shape and stitching intact.
- Check attachment regularly if used in active duty to ensure the Velcro remains secure.

FAQ

Q: What are the patch dimensions?

A: The patch measures 5 cm in width and 1.7 cm in height. It is designed to be compact and low-profile for uniforms and tactical gear.

Q: How does the Velcro attachment work?

A: The patch has hook Velcro on the back; press it onto any loop Velcro panel for a secure fit. To remove, peel it off from the edge.

Q: Is it suitable for all types of uniforms?

A: Yes, it is made to work with standard loop Velcro panels found on many tactical, duty and police uniforms. Check your garment for a compatible panel first.

Q: What material is the patch made from?

A: The patch is embroidered and constructed with durable thread and a Velcro backing. The finish is intended for regular use and display.

Q: Can I wash the patch with the garment?

A: Yes, but close the Velcro and use a gentle wash or hand wash to protect the embroidery and hook backing. Avoid high-heat drying.

Q: Is this patch regularly in stock?

A: Availability can be limited and demand is often high. If you need multiple units, consider purchasing early to ensure supply.

Tip: Choose the correct placement and check your garment for a compatible loop panel before ordering. Browse related tactical and military surplus patches to match uniforms or build a coordinated set.
