Product overview

White Cotton Gloves for military and dress use: lightweight, breathable gloves designed for personnel who need a clean, formal look with basic hand coverage. They are aimed at armed guard, ceremonial units, and departments seeking a textile alternative to leather dress gloves.

Definition: White cotton gloves are knit gloves featuring a cuff, back, palm and three seams on

the hand back, offering comfort and moderate protection for routine duty and ceremonial tasks.

Main features

Made from durable, breathable cotton with a knitted construction for a close fit and good fingertip sensitivity. Suitable for ceremonial use, guard duty and general uniform wear in military, police or tactical contexts.

- **High-quality cotton:** breathable and comfortable during long shifts.
- **Knit construction:** cuff, back, palm and three seams on the hand back for a secure fit.
- **Close fit:** maintains manual dexterity and tactile sensitivity.
- **Dress and duty use:** ideal for armed guard, ceremonial duties and as a textile alternative to leather dress gloves.
- **Lightweight:** comfortable for extended wear in formal and routine tasks.

How to use / When it’s useful

Use these gloves for ceremonial parades, picchetto armato (armed guard) duties, inspections and other uniformed tasks where a neat appearance and basic hand coverage are required. They pair well with dress uniforms and can be used by military, police or security personnel as part of formal kit.

Quick answer: They are best for ceremonial and general duty wear, not as protective gloves for heavy manual or hazardous work.
In most cases, choose cotton gloves for comfort and appearance during long standing duties or formal events; select a snug size to preserve dexterity.

Care and notes

Easy-care cotton construction; follow standard cotton washing instructions to maintain appearance and fit.

- Machine washable—use gentle cycle and mild detergent; follow garment care instructions.
- Avoid bleach and harsh chemicals to preserve fabric and color.
- Not intended for cut, heat or chemical protection—use appropriate protective gloves for hazardous tasks.
- Availability can be limited; check sizes before ordering to ensure the correct fit.
