- **Material:** premium suede for a soft feel and formal appearance.

- **Decorative detail:** three raised cords on the back, machine-stitched for a neat, traditional look.
- **Cuff and vent:** open cuff edged in matching leather with an approximate 35 mm external side slit to ease donning and removal.

### How to use / When it's useful

Quick answer: wear these gloves with formal uniforms, ceremonial dress, or any event that requires polished, conservative gloves. They are intended for presentation and light duty rather than heavy manual work.

In most cases, pair them with a dress uniform, blazer, or formal outfit for parades, inspections, ceremonies, and official events. The side vent and tailored fit make them easy to put on and comfortable for extended standing or formal duties.

### Care and notes
