Product overview

Guanti Tattici Defence Ordine Pubblico are tactical gloves designed for police, security and public-order personnel who need reliable hand protection, grip and freedom of movement on duty. They combine a flexible Spandex back with preformed Kevlar knuckle reinforcement for impact and

abrasion resistance.

Definition: A duty/tactical glove with a Spandex back, preformed Kevlar knuckles and a non-slip synthetic leather palm, built for repeated use in security and crowd-control tasks.

Main features

Durable construction and an ergonomic fit provide protection without sacrificing dexterity—suitable as police gloves, duty gloves or for tactical use.

- **Spandex back:** Elastic fabric for close fit and flexibility.
- **Preformed Kevlar knuckle reinforcement:** Added protection against impacts and abrasion.
- **Non-slip palm:** Synthetic leather palm overlay for secure grip in various conditions.
- **Ergonomic design:** Shaped to follow hand contours for comfort and mobility.
- **Good water resistance:** Provides protection from moisture but is not fully waterproof.
- **Touchscreen compatible:** Use most smartphones and devices without removing gloves.

How to use / When it’s useful

Use these gloves during patrols, crowd control, checkpoints, vehicle searches and general duty where protection and grip are needed. They are intended for regular tactical or police use rather than for prolonged underwater or heavy chemical exposure.

Quick answer: Ideal for police, security and other public-order roles that require a balance of protection and dexterity. In most cases, these gloves perform well for handling equipment, batons, radios and everyday tactical tasks.

Care and notes

Follow simple care steps to keep the gloves functional and extend their service life. Note implied warnings about water resistance and cleaning methods.

- Clean with a damp cloth and mild soap if needed; avoid aggressive detergents.
- Air dry only; do not tumble dry or use direct heat sources.
- Not fully waterproof—avoid prolonged immersion or heavy rain without additional protection.
- Avoid machine washing to preserve Kevlar reinforcements and synthetic leather overlays.

FAQ

Q: What sizes are available for Guanti Tattici Defence Ordine Pubblico?

A: Sizes typically range from S to XXL. Check the seller’s size guide to select the correct fit for your hand measurements.

Q: Are these gloves waterproof?

A: They offer good resistance to water and light moisture but are not fully waterproof. Avoid full immersion or heavy, prolonged exposure to water.

Q: Can I use these gloves with my smartphone?

A: Yes, the gloves are compatible with most touchscreen devices so you can operate phones and tablets without removing them.

Q: How do I clean the gloves?

A: Wipe with a damp cloth and mild soap if necessary, then air dry. Do not use harsh chemicals or machine wash to protect materials and reinforcements.

Q: Are these gloves suitable for cold weather?

A: They provide reasonable protection against the cold for general duty, but they are not specifically insulated for extreme low temperatures.

Q: What materials are used in these gloves?

A: The back is made from elastic Spandex, the knuckles have preformed Kevlar reinforcement, and the palm has a synthetic leather (PU) non-slip overlay.

Tip: Choose the correct size variant for the best fit and performance; consider browsing related tactical and duty gloves to compare features and find the best option for your role.
