How to use / When it’s useful

Quick answer: attach the patch to a clean loop-panel area on your uniform or jacket using the velcro backing. The patch is designed for easy on/off use when you need to change garments or launder clothing.

In most cases, wear it on the designated rank position of polos, giubbini (jackets) or standard uniform garments to show your rank clearly during duty or formal duties. It is also useful for reserve equipment, training uniforms, and replacement of worn insignia.

Handle the patch like other embroidered insignia to preserve appearance and velcro performance.
