Product overview

The Nastro Italia 2,3 cm is a 2.3 cm wide tricolor Italian ribbon in rayon, designed for crafters, event organizers, retailers and anyone who needs a neat patriotic accent. It works well for gift wrapping, party decorations, craft projects and uniform accents for ceremonial or duty displays.

Definition: A 2.3 cm wide rayon Italian tricolor ribbon, sold by the meter (minimum 1 m). The

ribbon offers a glossy look and reliable handling for a range of decorative and practical uses.

Main features

Compact, visible and easy to use—this ribbon balances appearance and practicality for many projects.

- **Material:** Rayon for good sheen and flexibility.
- **Width:** 2.3 cm—wide enough to stand out, narrow enough for bows and trims.
- **Design:** Italian tricolor (green, white, red) for patriotic and national events.
- **Sold by the meter:** Buy exactly the length you need; minimum purchase is 1 meter.
- **Easy to work with:** Simple to cut, tie and glue for fast craft or packaging work.

How to use / When it’s useful

Quick answer: Use this ribbon for gift wrapping, party decorations, craft projects, badges, or as a trim on uniforms and display items for ceremonies. It fits small and medium-sized tasks where a tricolor accent is needed.

In most cases, the ribbon performs best indoors or in covered outdoor settings to preserve color and finish. For customizing with prints or text, consult a specialist to get the best printing technique for rayon.

Care and notes

Simple care keeps the ribbon looking its best and avoids damage during handling or display.

- **Avoid prolonged water exposure:** Rayon is not waterproof—keep it dry when possible.
- **Outdoor use:** OK in covered outdoor areas; prolonged sun or rain can fade or weaken the ribbon.
- **Ironing:** Can be ironed at low temperature; test a small piece first.
- **Customization:** Printable, but consult a professional for best results and to avoid damaging the material.

FAQ

Q: What is the minimum length I can buy?

A: Minimum purchase is one meter. The ribbon is sold by the meter, so you can order the exact length you need.

Q: Is the ribbon waterproof?

A: No. Rayon is durable but not waterproof. Avoid prolonged exposure to water to keep colors

and structure intact.

Q: Can I use this ribbon outdoors?

A: Yes, in covered or short-term outdoor displays. For long-term outdoor use, protected areas are recommended to prevent fading and moisture damage.

Q: Can the ribbon be ironed?

A: Yes, but only at low temperature. Always test a small piece first to confirm the setting is safe for the material.

Q: Can I print text or logos on the ribbon?

A: Custom printing on rayon is possible, but results vary with technique. Contact a professional printer to choose the right method and avoid material damage.

Q: What is the ribbon width?

A: The ribbon is 2.3 cm wide, a practical size for bows, trims and visible accents on garments or packaging.

Tip: Choose the right length for your project (minimum 1 m) and browse matching trims and accessories to create coordinated decorations or uniform accents without overbuying.
