Product overview

The Italian Tricolour Ribbon 10 mm is a narrow polyester ribbon designed for formal and decorative uses by event organizers, public administrations, craft suppliers and retailers serving tactical or military surplus and police ceremonial needs. It adds a clear national symbol to bows, decorations and official bindings.

Definition: A 10 mm-wide polyester ribbon in Italy's green, white and red tricolour, sold by the

meter for precise quantities.

Main features

Key features at a glance:

- **High-quality material:** Polyester for consistent appearance and practical durability.
- **Width:** 10 mm, suitable for small bows, trims and formal seals.
- **Sold by the meter:** Buy the exact length you need to avoid waste.
- **Versatile use:** Suitable for public administration contracts, event décor and crafting.
- **Symbolic design:** Tricolour pattern representing Italy for ceremonial and display purposes.
- **Suitable for related markets:** Works well for tactical, military surplus, duty and police ceremonial applications.

How to use / When it’s useful

Quick answer: Use the ribbon for official ceremonies, public administration requirements, creating tricolour bows, event decorations and small craft projects. Its 10 mm width is ideal where a narrow, recognisable trim is required.

In most cases, cut the ribbon to length and attach by sewing, adhesive or a heat-seal method as appropriate for the application. Selling by the metre makes it easy to order exact quantities for procurement, retail or on-site use.

Care and notes

Simple care and ordering notes to remember:

- **Storage:** Keep in a cool, dry place away from prolonged direct sunlight to reduce fading.
- **Ordering:** Sold by the metre — specify the exact length needed when ordering.
- **Usage check:** If required for official contracts, confirm any format or supplier specifications before purchase.
- **Availability:** Demand can be high; check stock levels when planning events or large orders.

FAQ

Q: What is the ribbon width?

A: The ribbon is 10 mm wide, a standard narrow size for bows, trim and formal decorations.

Q: What material is the ribbon made from?

A: It is made of polyester, chosen for its consistent finish and practical wear resistance.

Q: Can I buy a specific length?

A: Yes. The ribbon is sold by the meter so you can order the exact length required for each project.

Q: What is it typically used for?

A: Common uses include public administration contracts, ceremonial bows, event decorations and retail or craft supplies for tactical and military surplus or police ceremonial items.

Q: Is the ribbon durable?

A: Polyester provides good durability for decorative and ceremonial use; proper storage reduces fading and wear.

Q: Is the product always in stock?

A: Availability can vary. Check current stock before finalising orders, especially for large or time-sensitive projects.

Tip: Choose the correct length and quantity for your project before checkout, and browse related ribbons and trims if you need different widths or styles for event, tactical or police-related displays.
