How to use / When it’s useful

Quick answer: Cut the ribbon to the required length, secure it to posts or a stand, and use it for ribbon-cutting, podium decor or themed displays. The 5 cm width is chosen for visibility and neat presentation.

In most cases, organizers use this ribbon for official inaugurations, national celebrations and municipal events where a clear Italian flag motif is needed. For long spans or multiple sites, order several meters in advance to ensure consistent color and material.

Care and notes

Simple care keeps the ribbon looking its best before and during your event.

- Store dry and flat to avoid creases.
- Spot clean gently; avoid strong solvents or aggressive washing.
- Although suitable for outdoor use, avoid prolonged exposure to heavy rain or intense UV to preserve color.
- Price and ordering are per meter—select the total meters needed at checkout.

FAQ

Q: What is the ribbon width?

A: The ribbon width is 5 cm, chosen for clear visibility at ceremonies and ribbon-cutting events.

Q: What material is the ribbon made of?

A: It is made from high-quality rayon fabric, which provides bright colors and good durability for event use.

Q: Is the price listed per ribbon or per meter?

A: The price is per meter. You can select the number of meters you need at the time of purchase.

Q: Can I use this ribbon outdoors?

A: Yes. The rayon material is suitable for outdoor use under normal conditions, but avoid leaving it in heavy rain or continuous strong sunlight for long periods.

Q: Can I order a large quantity for multiple events?

A: Yes. Increase the number of meters in your order to cover longer lengths or multiple locations. Large quantities can be ordered as needed.

Q: How do I attach the ribbon for a ribbon-cutting?

A: Measure the required span, cut the ribbon to length, and secure it to posts or stands with tape, ties or pins. The ribbon is easy to handle and apply.

Tip: Choose the total meters you need before checkout and check related ceremonial and event supplies to complete your setup—this helps ensure consistent color and material across all decorations.
